March's Attendance

Reception to Year 6 average attendance was 93.6% (-0.5% decrease on last month). Please check the [website](#) for our term dates to ensure that you can plan family holidays without interrupting your child's education.

MOMENTS MATTER, ATTENDANCE COUNTS

Reception	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6	Average attendance
91.9%	92%	90.5%	97.8%	94.8%	96.9%	91.5%	93.6%

Class attendance for the month of February 2024. Nursery is not statutory, therefore data is not included here.

Please note that we are obliged to contact the Local Authority if a pupil has unauthorised absences that equate to more than 10% within a six-week period. This route will result in a Penalty Notice (PN) being issued or a referral to Family Services.

If there is a reason for your child to be absent, for example sickness or medical appointments, please email absent@academy.thomas-s.co.uk. For absence requests, a form can be collected from the school office for Miss Kelly to consider.

Punctuality is also incredibly important. The classrooms open at 8.45am at which point children can enter and engage with learning activities - these tend to be maths revision and challenges to support children's retention of maths learning. The register is taken at 8.55am after which point children are marked late. School doors close at this time and children will only be able to enter via the front office.

Late children should be brought into the school (not left at the gate) so parents/carers can sign children in late. This is to ensure that children are safely handed over.

Children should be collected promptly at the end of their school day. Any parent collecting after being 10 minutes late, their child will be sent to Shine Bright Club and parents/carers may be charged a minimum fee of £10.

Government campaign to improve attendance

Improving school attendance is everyone's business and, to tackle the challenge we face, we need to work together. In January 2024, Government launched a national campaign to remind parents and carers of the importance of school attendance.

The campaign strapline is "moments matter, attendance counts". Messaging for the communications have been developed from research into parental attitudes, as well as two local authority pilots at the end of 2023.

Attendance: the top facts to know & share

**MOMENTS
MATTER,
ATTENDANCE
COUNTS.**

The link between attendance and attainment is clear:

- In 2018/19, **just 40% of persistently absent (PA) children in KS2 achieved expected KS2 standards**, compared with 84% of pupils who were regular attenders.
- And **36% of PA children in KS4 got 9 to 4 in their English and maths GCSEs**, also compared with 84% of regular attenders.¹

And it's never too late to benefit from good attendance:

- **More than half (54%) of pupils who were PA in Year 10 and then rarely absent in Year 11, passed at least 5 GCSEs**, compared to 36% of pupils who were persistently absent in both years.²

But attendance is important for more than just attainment:

- Regular school attendance can facilitate **positive peer relationships**, which is a **protective factor for mental health and wellbeing**.³

We are excited to share the news that our art teacher, Ms Crouch, is pregnant, her and her husband are looking forward to the arrival of their first baby at the end of August.

In addition to this, our SBM, Ms Redmond, is also pregnant and expecting her second child at the end of September.

We are wishing both expectant mothers a healthy and happy pregnancy.

Music at Thomas's Academy

Mr Laidler, our music teacher, is back working full time at Thomas's Clapham this Summer Term. We thank him for all the wonderful work he has done with us at the Academy. We will be welcoming **Vicky Cowles**, a teacher from Thomas's Fulham, to teach our music lessons from April.

Vicky trained at the Royal College of Music, later gaining a PGCE. She works as a woodwind specialist performing worldwide. Combining a career of teaching and performing, which she believes complement and enhance each other, Vicky teaches all woodwinds: recorder, flute, clarinet, saxophone, oboe, and bassoon as well as directing ensembles and teaching Musical Theatre singing workshops.

As part of this assessment, children in Year 6 sit Standardised Assessment Tasks (SATs). Our Year 6's have been busily preparing for these. Take a look at last year's results:

Safeguarding

Miss Kelly, Head Teacher, is our Designated Safeguarding Lead (DSL). Deputies (DDSL) are Mrs James, Miss Wood, Ms O’Riordan and Miss Shen.

To find out more about our approach to Safeguarding, you can read the Safeguarding policy, plus others, on our website:

<https://www.academy.thomas-s.co.uk/policies-outcomes/school-policies>

We have a new Safeguarding email address should you wish to contact the Safeguarding Team at school. It’s tacsafeguarding@academy.thomas-s.co.uk.

At Thomas’s Academy, Safeguarding is our top priority. Please let one of the safeguarding leads know if you have any safeguarding concerns. Confidentiality is important so we encourage speaking to these adults directly or to Children’s Services directly.

Contacts and Collection

Please let the office know on info@academy.thomas-s.co.uk if you change any personal details such as your email address or phone number in order that you receive all our communications. **We require at least two contacts for all children.** Also, please let us know if someone different is collecting your child or after school arrangements have changed. These are important measures to keep your children safe. For your information, only children in Year 6 are permitted to leave school at 3.30pm unaccompanied.

Learn to Learn

Our focus for this half term is **BE INQUISITIVE**.

A sense of curiosity and interest in the world around them is essential if pupils are to develop into lifelong learners. Consequently, Thomas's Academy aims to engender a willingness and ability to ask and answer questions about the world around us.

Be an Inquisitive Dolphin

An inquisitive learner will ask:

• What do I want to know?

• What more can I find out?

• How can I find the answer?

• Is there a different answer?

Digital Learning

We are committed to keeping children safe online and supporting parents with ways to embed these strategies at home.

Please use the links below for any necessary support.
