

## **Thomas's Academy: Evidencing the Impact of Pupil Premium Funding. 2018/19**

### **What is Pupil Premium?**

Pupil Premium Funding is provided to schools in addition to their main school funding so that schools can target the narrowing of any gaps between children eligible for free school meals (FSM) and non-FSM children.

The amount of Pupil Premium Funding received by schools is linked directly to the number of pupils on roll who are currently receiving free school meals, have ever received free school meals in the past or who have been a looked after child.

In the financial period of 2018-19, Thomas's Academy was awarded a total Pupil Premium of £100,320 for the academic year.
