THOMAS'S ACADEMY

(A Company Limited by Guarantee)

TRUSTEES' REPORT FOR THE YEAR ENDED 31 AUGUST 2020

The Trustees present their Annual Report together with the financial statements and auditor's report of the charitable company for the year ended 31 August 2020. The Annual Report serves the purposes of both a Trustees' Report, and a Directors' Report under company law.

STRUCTURE, GOVERNANCE AND MANAGEMENT

a. Constitution

The academy is a charitable company limited by guarantee and an exempt charity.

The charitable company's Memorandum of Association and Articles are the primary governing document of the Academy trust.

The Trustees of Thomas's Academy are also the directors of the charitable company for the purpose of company law.

The charitable company is known as Thomas's Academy.

Details of the Trustees who served during the year are included in the Reference and Administrative details on page 1.

b. Members' liability

Each member of the charitable company undertakes to contribute to the assets of the charitable company in the event of it being wound up while they are a member, or within one year after they cease to be a member, such amount as may be required, not exceeding £10, for the debts and liabilities contracted before they ceased to be a member.

c. Method of recruitment and appointment or election of Trustees

The management of the academy is the responsibility of the Trustees who are elected and co-opted under the terms of the Articles of Association.

The Articles of Association require that there be a minimum of 3 Trustees. The term is 4 years although the Trustees can resign at any time during their term.

THOMAS'S ACADEMY

(A Company Limited by Guarantee)

TRUSTEES' REPORT (continued) FOR THE YEAR ENDED 31 AUGUST 2020

d. Policies and procedures adopted for the induction and training of Trustees

All Trustees receive:

- An organisational chart
- Outline of the current Board's skills and experience
- A copy of the previous year's Annual Report and financial report
- A copy of the memorandum and articles of association
- A copy of the previous board meeting minutes (once agreement for appointment has been made by the Trustees)
- A copy of the business plan
- Charity CC3 – The essential trustee: What you need to know
- A copy of the Charity Governance code
- Copies of all the current up to date policies (once agreement for appointment has been made by the Trustees)

All new Trustees will be invited to attend:

- Safeguarding Children's Training

e. Organisational structure

The organisational structure of Thomas's Academy consists of three levels:

1. Members
2. Governors (Trustees)
3. Senior Management Team

The aim of the management structure is to encourage involvement in decision making at all levels.

f. Pay policy for key management personnel

Staff reviews are carried out and pay awards are awarded on a performance criteria.

g. Connected organisations, including related party relationships

Owing to the nature of the academy's operations and the composition of the Board of Trustees being drawn from local public and private sector organisations, transactions may take place with organisations in which the Trustees have an interest. All transactions involving such organisations are conducted at arm's length and in accordance with the academy's financial regulations and normal procurement procedures.

There are no connected organisations or related party relationships other than those disclosed within the financial statements.

h. Trustees' indemnities

The Academy has signed up to the RPA scheme.

OBJECTIVES AND ACTIVITIES

a. Objects and aims

To advance for the public benefit education in the United Kingdom, in particular but without prejudice to the foregoing, by establishing, maintaining, carrying on, managing and developing a school offering a broad and balanced curriculum.

b. Public benefit

The Trustees confirm that they have had due regard to the Charity Commissions' guidance relating to public benefit when considering the academy's activities and objectives.

c. Objectives, strategies and activities

To create a vibrant and inclusive school community where all children are provided with a broad, skills-based curriculum, and where they can develop as confident, independent, self-aware and thoughtful learners.

d. Activities for achieving objectives

At Thomas's Academy, we place a particular focus on the process of learning, believing that it is far more important that children develop as active learners rather than passive recipients of knowledge. Children at the academy are challenged to develop their learning skills alongside their subject-specific abilities. In this way we prepare children for the next stage in their education, and for the unpredictable challenges of the 21st century workplace.

We ensure that our approaches are informed by the very latest educational research. We know that intelligence is not fixed and that we can help children to become more successful learners and therefore we believe that schools have a key role in developing children's mindsets.

e. Main activities undertaken to further the charity's purposes for the public benefit

Fundamental to our approach at the academy is the concept of Learning to Learn. We teach children that they can become better learners by developing five specific 'Learning Attitudes':

Be Reflective

Children at the academy are encouraged to spend time reflecting on their successes and on the areas that they need to work on next. We use a consistent approach to providing feedback to children in their books which supports this by providing clear indications of successful work as well as 'next steps' which children are then given time to respond to. The 'Be Reflective' Learning Attitude dovetails into our cornerstone 'Create Beauty', whereby children are encouraged to spend time reflecting on their work and then improving and completing pieces of work that they can be really proud of.

TRUSTEES' REPORT (continued) FOR THE YEAR ENDED 31 AUGUST 2020

Be Creative

Being creative is a fundamental requirement for success today and in the future. We encourage creativity in the broadest sense – from the Art Studio to the Music Room, from the ICT suite to the English lesson – children at the academy are taught to take risks and to invent creative solutions to problems. We are also keen to point out that you can learn to be more creative – your imagination will never limit your learning!

Be Collaborative

We ensure that children are provided with the opportunity to work with a range of partners and groups to help develop their ability to learn collaboratively. Our collaboration with Thomas's London Day Schools is bringing fresh opportunities for this, with joint projects between the academy and the Preparatory Schools developing across the curriculum.

Be Inquisitive

Children are always asking questions, and at the academy we make sure that these questions are encouraged and used to take children's learning further. Our International Primary Curriculum topics are led by the questions that the children have about that subject. We support children to refine these questions further and to research answers for themselves throughout each topic.

Be Positive

We encourage children to embrace the challenge of learning. Making mistakes is a natural part of learning. If you are not making mistakes, then you are probably not pushing yourself hard enough. We support children to become more resilient learners by challenging them and by helping them develop a positive mind-set where problems are just solutions waiting to be discovered!

f. Admission policy

The school's admission policy is shown on the academy's website at <https://www.academy.thomass.co.uk/admissions/admission-to-thomass-academy>.

ACHIEVEMENTS AND PERFORMANCE

a. Key financial performance indicators

Financial performance is monitored by way of management accounts presented on a monthly basis to the Chair and Vice Chair of Governors as well as to the Finance and Admissions Committee termly and Financial Reviews reported at full Governing Body meetings.

b. Review of activities

The principal source of funding for the Trust is the General Annual Grant (GAG) and other grants that it receives from the Education and Skills Funding Agency (ESFA).

The Trustees review the financial activities of the Academy Trust at Finance Committees. Budgets are monitored against expected expenditure and Income. Future budgets are reviewed to ensure that the Academy Trust continues to be a going concern.

THOMAS'S ACADEMY

(A Company Limited by Guarantee)

TRUSTEES' REPORT (continued) FOR THE YEAR ENDED 31 AUGUST 2020

The academy has a 125-year lease for the former New King's school site. In accordance with the Charities' Statement of Recommended Practice, 'Accounting and Reporting by Charities', this asset is held in a restricted asset fund. The restricted asset fund balance is reduced by annual depreciation charges over the expected useful life of the assets concerned.

c. The Impact of COVID-19

The school remained open for two weeks at the start of the National lockdown in March 2020 for Key Workers and Vulnerable Pupils. All other pupils were educated remotely. Due to low take-up of places offered physically at the school and due to parental preference for remote learning at the time, the school completely closed in April 2020, with all pupils being educated remotely, apart from a few who attended Key Worker Provision at one of the Thomas's prep schools.

The school reopened for a limited number of pupils in June 2020, whilst the remaining pupils were educated remotely.

Following a detailed risk assessment process, the school reopened fully in September 2020 for all pupils.

Assessments that have been completed in Autumn 2020 indicate that many pupils have made very little progress since Spring 2020, and so a range of intervention approaches are now in place, with more planned for the rest of the academic year.

d. Investment policy and performance

The Academy Trust currently holds no investments. A current account is held with Lloyds bank.

The Trustees ensure that return on working capital is optimised whilst ensuring easy access of the funds. In balancing risk against return the academy policy is clearly geared to avoiding risk rather than maximising income.

e. Going concern

After making appropriate enquiries, the Board of Trustees has a reasonable expectation that the academy has adequate resources to continue in operational existence for the foreseeable future. For this reason, it continues to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Accounting Policies.

FINANCIAL REVIEW

a. Principal risks and uncertainties

The Academy maintains a risk register that is reviewed termly at the Finance and Admissions Committee and Full Governing Body meetings;

THOMAS'S ACADEMY

(A Company Limited by Guarantee)

TRUSTEES' REPORT (continued) FOR THE YEAR ENDED 31 AUGUST 2020

The Trustees have identified the following areas of risks and uncertainties:

- Financial risk: The school development plan is followed closely to ensure that continuing maintenance of the site is delivered and that staffing levels are sustainable
- Failure in governance or management risk: Governors continue to review skills and development needs and put in place measures accordingly
- Reputational risk: The success of the school depends on maintaining high educational standards in order to attract sufficient numbers of pupils. Governors are focused on monitoring and reviewing the achievement and success of the children
- Safeguarding and child protection risk: Governors continue to ensure that high standards are maintained in selecting staff. The school has a child protection policy and provides training and support in order to protect the vulnerable young children in its care
- Significant changes in staff: Governors have a policy in place to develop existing staff as well as to continue to monitor arrangements for any new staff which may be required
- COVID 19 Pandemic: Governors are closely monitoring the effect of the pandemic on pupil and staff welfare as well as its effect on pupil attainment.

b. Reserves policy

As the academy has only relatively recently been established, it does not have the benefit of funds in reserve. The academy is funded to meet the immediate operational needs and it will be some time before the academy is in a position to generate enough surplus funds to provide reserves or savings for future investment. The academy would expect to be able to carry forward some resources from the General Annual Grant (restricted fund) in the medium term for renewal and replacement by way of major capital projects and to cover any unforeseen contingencies. The amounts to be carried forward as future reserves would be subject to the rules set by the Department for Education.

The academy generated an operating surplus of £217,525 (2019: £7,000) during the year, reducing the cumulative operating deficit from £214,227 to a surplus of £3,298. The cumulative operating surplus excludes movements on Pension Funds and Fixed Asset funds which are deemed to be operationally non-controllable costs by the academy.

After pension service charges (as advised by the TPS actuary) of £59,000 (2019: £57,000), CIF capital funding received for replacement windows and fire doors of £188,962 (2019: £594,882), fixed asset depreciation of £57,431 (2019: £43,606) and the actuarial loss on pension scheme of £417,000 (2019: £101,000) the deficit created for the year was £126,944 (2019: surplus £400,276). This is detailed in the schedule below;

	2020 £	2019 £
Operating surplus for year	217,525	7,000
Pension charges	(59,000)	(57,000)
CIF capital funding received	188,962	594,882
Fixed asset fund depreciation	(57,431)	(43,606)
Actuarial loss	(417,000)	(101,000)
Net movement in funds (per SOFA)	(126,944)	400,276

THOMAS'S ACADEMY

(A Company Limited by Guarantee)

TRUSTEES' REPORT (continued) FOR THE YEAR ENDED 31 AUGUST 2020

Total funds at 31 August 2020 were £23,108,626 (2019: £23,235,570) comprising Unrestricted Funds of £665,540 (2019: £531,254), Restricted Funds deficit of £1,689,242 (2019: deficit £1,296,481) and Restricted Fixed Assets Funds of £24,132,328 (2019: £24,000,797).

c. Fundraising

The academy does not carry out any fundraising activities.

PLANS FOR FUTURE YEARS

a. Future developments

Thomas's Academy will continue to be operated by the Thomas's Academy Trust. There are no plans to significantly change the structure of the trust or the operational structure of the school.

In the medium to long term, the Trustees are focused on developing plans that will enable the academy to become financially secure. The financial result for fiscal 19/20 has eliminated the brought forward deficit on operating reserves. The intention is to generate an operating surplus each year in order to build an appropriate level of reserves on the Balance Sheet in future years.

Disclosure of information to auditors

Each of the persons who are Trustees at the time when this Trustees' Report is approved has confirmed that:

- so far as that Trustee is aware, there is no relevant audit information of which the charitable company's auditors are unaware; and
- that Trustee has taken all the steps that ought to have been taken as a Trustee in order to be aware of any relevant audit information and to establish that the charitable company's auditors are aware of that information.

This report was approved by order of the Board of Trustees as the Company directors, on 7th December 2020 and signed on its behalf by:

GOVERNANCE STATEMENT FOR THE YEAR ENDED 31 AUGUST 2020

Scope of Responsibility

As Trustees, we acknowledge we have overall responsibility for ensuring that Thomas's Academy has an effective and appropriate system of control, financial and otherwise. However, such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives and can provide only reasonable and not absolute assurance against material misstatement or loss. The Board of Trustees has delegated the day-to-day responsibility to the Executive Head Teacher, as Accounting Officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between Thomas's Academy and the Secretary of State for Education. They are also responsible for reporting to the Board of Trustees any material weaknesses or breakdowns in internal control.

Governance

The information on governance included here supplements that described in the Trustees' Report and in the Statement of Trustees' Responsibilities. The Board of Trustees, who are also the Governing Body, has formally met four times during the year, in addition, it also met exceptionally on 14th May 2020 and 11th June 2020 to consider the response to the COVID pandemic. Its purpose is to plan and review the strategic direction of the academy and oversee the financial and educational performance of the school.

Attendance during the year at meetings of the Board of Trustees and Governing Body was as follows:

Trustee	Meetings attended	Out of a possible
J A Fenwick, Chair	4	4
N T L Thomas, Vice Chair	3	4
M Chester, Head teacher	4	4
B V R Thomas	4	4
C Wood	3	4
K Sizeland	4	4
S Merullo	4	4
P Bunche	4	4
P Gill	3	4

The Finance Committee is a sub-committee of the main Board of Trustees. Its purpose is to review financial matters and review pupil numbers.

Attendance at meetings in the year was as follows:

Trustee	Meetings attended	Out of a possible
J A Fenwick, Chair	4	4
N T L Thomas	3	4

GOVERNANCE STATEMENT FOR THE YEAR ENDED 31 AUGUST 2020

(continued)

Governance Review

The Trustees have reviewed their Governance during the 2019/20 academic year in light of the recommendations made in the Academies Financial Handbook. This has resulted in the appointment of three Members who are independent from the Board of Trustees.

The Trustees participated in an appraisal of the Governing Body's effectiveness during the 2018/19 academic year and completed a trustees skills audit. It is intended that during the 2020/21 academic year the skills audit will be used to identify areas of experience development within the governing body. The Governing body will also conduct a review of its own effectiveness during 2020/21 as part of a three year cycle..

Review of Value for Money

As Accounting Officer, the Executive Head teacher has responsibility for ensuring that the academy delivers good value in the use of public resources. The Accounting Officer understands that value for money refers to the educational and wider societal outcomes achieved in return for the taxpayer resources received.

The Accounting Officer considers how the academy's use of its resources has provided good value for money during each academic year, and reports to the Board of Trustees where value for money can be improved, including the use of benchmarking data where appropriate. The Accounting Officer for the academy has delivered improved value for money during the year by:

- **Probity** - it must be demonstrable that there is no corruption or private gain involved in the contractual relationships of the academy;
- **Accountability** - the academy is publicly accountable for its expenditure and the conduct of its affairs; and
- **Fairness** - that all those dealt with by the academy are dealt with on a fair and equitable basis.

In addition, the academy use the services of an independent consultant to ensure best value is obtained for utilities contracts, and prices paid are regularly checked against the market, and if advantageous fixed for longer periods to protect against future price increases.

The catering contract with our current supplier was expected to be reviewed this year, but this has been postponed by the local authority due to the pandemic. We had previously been out to tender to new suppliers but were unable to find a supplier that would provide catering due to the low value of the contract.

The academy is also a member of the CPC framework for education that enables the academy to take advantage of discounts available to the education sector

The Purpose of the System of Internal Control

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives; it can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an ongoing process designed to identify and prioritise the risks to the achievement of academy policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in Thomas's Academy for the year ended 31 August 2020 and up to the date of approval of the Annual Report and financial statements.

THOMAS'S ACADEMY

(A Company Limited by Guarantee)

GOVERNANCE STATEMENT FOR THE YEAR ENDED 31 AUGUST 2020

(continued)

Capacity to Handle Risk

The Board of Trustees has reviewed the key risks to which the academy is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The Board of Trustees is of the view that there is a formal ongoing process for identifying, evaluating and managing the academy's significant risks that has been in place for the year ended 31 August 2020 and up to the date of approval of the Annual Report and financial statements. This process is regularly reviewed by the Board of Trustees.

The Risk and Control Framework

The academy's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability.

In particular, it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the Board of Trustees;
- regular reviews by the Finance and Admissions Committee of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes;
- setting targets to measure financial and other performance;
- clearly defined purchasing (asset purchase or capital investment) guidelines.
- delegation of authority and segregation of duties; and
- identification and management of risks through a risk register

The Board of Trustees has decided not to appoint an auditor for this purpose. However, Andrew Fenwick, a trustee, carried out a limited programme of internal reviews. The reviewer's role includes giving advice on financial and other matters, as well as inspecting the academy trust's financial and other systems. In particular the reviews carried out in the period included;

- review of payroll systems
- review of purchase ledger systems
- review of banking systems/bank reconciliations

On a termly basis, the reviewer reports to the board of trustees, through the audit committee on the operation of the systems of control and on the discharge of the board of trustees' financial responsibilities. An annual summary report to the committee is prepared outlining the key areas reviewed, key finding, recommendations and conclusions to help the committee consider actions and assess year on year.

Review of Effectiveness

As Accounting Officer, the Executive Head teacher has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

- the work of the Audit Committee;
- the work of the external auditors;
- the financial management and governance self-assessment process; and
- the work of the executive managers within the academy who have responsibility for the development and maintenance of the internal control framework.

STATEMENT ON REGULARITY, PROPRIETY AND COMPLIANCE

As Accounting Officer of Thomas's Academy I have considered my responsibility to notify the Academy Trust Board of Trustees and the Education and Skills Funding Agency (ESFA) of material irregularity, impropriety and non-compliance with ESFA terms and conditions of funding, under the funding agreement in place between the Academy Trust and the Secretary of State for Education. As part of my consideration I have had due regard to the requirements of the Academies Financial Handbook 2019.

I confirm that I and the Academy Trust Board of Trustees are able to identify any material irregular or improper use of funds by the Academy Trust, or material non-compliance with the terms and conditions of funding under the Academy Trust's funding agreement and the Academies Financial Handbook 2019.

I confirm that no instances of material irregularity, impropriety or funding non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the Board of Trustees and ESFA.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The Trustees (who act as governors of Thomas's Academy and are also the directors of the charitable company for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with the Annual Accounts Direction issued by the Education and Skills Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the Trustees to prepare financial statements for each financial year. Under company law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that year.

In preparing these financial statements, the Trustees are required to:

1. select suitable accounting policies and then apply them consistently;
2. observe the methods and principles of the Charities SORP 2019 and the Academies' Accounts Direction 2019 to 2020;
3. make judgments and accounting estimates that are reasonable and prudent;
4. state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
5. prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring grants received from the ESFA/DfE have been applied for the purposes intended.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

INDEPENDENT AUDITOR'S REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF THOMAS'S ACADEMY FOR THE YEAR ENDED 31 AUGUST 2020

Opinion

We have audited the financial statements of Thomas's Academy (the 'charitable company') for the year ended 31 August 2020 which comprise the Statement of Financial Activities incorporating an Income and Expenditure Account, the Balance Sheet, the Statement of Cash Flows and the notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 August 2020 and of its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charitable company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

THOMAS'S ACADEMY

(A Company Limited by Guarantee)

INDEPENDENT AUDITOR'S REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF THOMAS'S ACADEMY (continued) FOR THE YEAR ENDED 31 AUGUST 2020

Other information

The other information comprises the information included in the Trustees' Report and Financial Statements, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' Annual Report, which incorporates the Directors' Report prepared for the purpose of company law, for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Directors' Report included within the Trustees' Annual Report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Directors' Report contained within the Trustees' Report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit;
- the trustees were not entitled to take advantage of the small companies' exemption from the requirement to prepare a Strategic Report.

Responsibilities of trustees

As explained more fully in the Statement of Trustees' Responsibilities set out on page 14, the trustees (who are also directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

**INDEPENDENT AUDITOR'S REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF
THOMAS'S ACADEMY (continued)
FOR THE YEAR ENDED 31 AUGUST 2020**

In preparing the financial statements, the Trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the Trustees, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the trustees as a body, for our audit work, for this report, or for the opinions we have formed.

INDEPENDENT REPORTING ACCOUNTANTS' ASSURANCE REPORT ON REGULARITY TO THOMAS'S ACADEMY AND THE EDUCATION AND SKILLS FUNDING AGENCY FOR THE YEAR ENDED 31 AUGUST 2020

In accordance with the terms of our engagement letter dated 25 August 2017 and further to the requirements of the Education and Skills Funding Agency (ESFA) as included in the Academies Accounts Direction 2019 to 2020, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by Thomas's Academy during the year ended 31 August 2020 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to Thomas's Academy and the ESFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to Thomas's Academy and the ESFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than Thomas's Academy and the ESFA, for our work, for this report, or for the conclusion we have formed.

Respective responsibilities of Thomas's Academy's accounting officer and the reporting accountant

The accounting officer is responsible, under the requirements of Thomas's Academy's funding agreement with the Secretary of State for Education dated 1 September 2015, and the Academies Financial Handbook extant from 1 September 2019, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2019 to 2020. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the year ended 31 August 2020 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

Approach

We conducted our engagement in accordance with the Academies Accounts Direction 2019 to 2020 issued by the ESFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

**INDEPENDENT REPORTING ACCOUNTANTS' ASSURANCE REPORT ON REGULARITY TO THOMAS'S
ACADEMY AND THE EDUCATION FUNDING AGENCY
FOR THE YEAR ENDED 31 AUGUST 2020**

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the academy's income and expenditure.

Conclusion

In the course of our work, nothing has come to our attention which suggests that in all material respects the expenditure disbursed and income received during the year ended 31 August 2020 have not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2020

1. ACCOUNTING POLICIES

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgements and key sources of estimation uncertainty, is set out below.

1.1 BASIS OF PREPARATION OF FINANCIAL STATEMENTS

The financial statements of the Academy Trust have been prepared under the historical cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2019 to 2020 issued by ESFA, the Charities Act 2011 and the Companies Act 2006.

Thomas's Academy constitutes a public benefit entity as defined by FRS 102.

Thomas's Academy is a company limited by guarantee and an exempt charity incorporated in England and Wales. Its principal and registered office is New King's Road, Fulham, London, SW6 4LY.

1.2 GOING CONCERN

The Trustees assess whether the use of going concern is appropriate, i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the academy to continue as a going concern. The Trustees make this assessment in respect of a period of at least one year from the date of authorisation for issue of the financial statements and have concluded that the Academy Trust has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the Academy Trust's ability to continue as a going concern, thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

As government GAG funding has continued during the pandemic as well as grants being made available to cover additional costs of PPE etc, the effect of the pandemic on the Academy's going concern status is negligible.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2020

1. ACCOUNTING POLICIES (continued)

1.3 INCOME

All income is recognised once the academy has entitlement to the income, it is probable that the income will be received, and the amount of income receivable can be measured reliably.

Grants are included in the Statement of Financial Activities on a receivable basis. The balance of income received for specific purposes but not expended during the year is shown in the relevant funds on the Balance Sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the Statement of Financial Activities in the year for which it is receivable and any abatement in respect of the year is deducted from income and recognised as a liability. Capital grants are recognised when there is entitlement. Unspent amounts of capital grant are reflected in the balance in the restricted fixed asset fund.

Grants receivable from the ESFA in respect of COVID-19 have been recognised in full in the Statement of Financial Activities in the year and is included in restricted funds ESFA grant income.

Donated services are recognised on the basis of the value of the gift to the charity which is the amount the charity would have been willing to pay to obtain services of equivalent economic benefit on the open market; a corresponding amount is then recognised in expenditure in the year of receipt.

Donations are recognised on a receivable basis where there is certainty of receipt and the amount can be reliably measured.

Other income, including the hire of facilities, is recognised in the year in which it is receivable and to the extent the goods have been provided or on completion of the service.

1.4 EXPENDITURE

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on charitable activities is costs incurred on the academy's educational operations, including support costs and costs relating to the governance of the academy.

All resources expended are inclusive of irrecoverable VAT.

FOR THE YEAR ENDED 31 AUGUST 2020

1. ACCOUNTING POLICIES (continued)

1.5 TANGIBLE FIXED ASSETS AND DEPRECIATION

All assets costing more than £1,000 are capitalised.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the Balance Sheet at cost and depreciated over their expected useful economic life. Where there are specific conditions attached to the funding requiring the continued use of the asset, the related grants are credited to a restricted fixed asset fund in the Statement of Financial Activities and carried forward in the Balance Sheet. Depreciation on the relevant assets is charged directly to the restricted fixed asset fund in the Statement of Financial Activities. Where tangible fixed assets have been acquired with unrestricted funds, depreciation on such assets is charged to the unrestricted fund.

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of Financial Activities.

Tangible fixed assets are carried at cost, net of depreciation and any provision for impairment. Depreciation is not charged on freehold land. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Long-term leasehold property	-	1% straight-line
Fixtures and fittings	-	20% reducing balance
Windows	-	Over 30 years straight-line
Fire Doors	-	Over 30 years straight line

1.6 INTEREST RECEIVABLE

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the academy; this is normally upon notification of the interest paid or payable by the Bank.

1.7 LEASED ASSETS

Rentals under operating leases are charged to the Statement of Financial Activities on a straight-line basis over the lease term.

1.8 DEBTORS

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

THOMAS'S ACADEMY

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2020

1. ACCOUNTING POLICIES (continued)

1.9 CASH AT BANK AND IN HAND

Cash at bank and in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

1.10 LIABILITIES AND PROVISIONS

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the academy anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are recognised when the Academy Trust has an obligation at the reporting date as a result of a past event which it is probable will result in the transfer of economic benefits and the obligation can be estimated reliably. Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised within interest payable and similar charges.

1.11 TAXATION

The academy is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the academy is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

1.12 FINANCIAL INSTRUMENTS

The academy trust only holds basic financial instruments as defined in FRS 102. The financial assets and financial liabilities of the academy trust and their measurement basis are as follows:

Financial assets – trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost. Prepayments are not financial instruments.

Cash at bank – is classified as a basic financial instrument and is measured at face value.

Financial liabilities – trade creditors, accruals and other creditors are financial instruments, and are measured at amortised cost. Taxation and social security are not included in the financial instruments disclosure definition. Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument.

THOMAS'S ACADEMY
(A Company Limited by Guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2020

1. ACCOUNTING POLICIES (continued)

1.13 PENSIONS

Retirement benefits to employees of the academy are provided by the Teachers' Pension Scheme ("TPS") and the Local Government Pension Scheme ("LGPS"). These are defined benefit schemes and the assets are held separately from those of the academy.

The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the academy in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quadrennial valuations using a prospective unit credit method. As stated in note 19, the TPS is a multi-employer scheme and there is insufficient information available to use defined benefit accounting. The TPS is therefore treated as a defined contribution scheme for accounting purposes and the contributions recognised in the year to which they relate.

The LGPS is a funded scheme and the assets are held separately from those of the Academy Trust in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each balance sheet date. The amounts charged to operating surplus are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the Statement of Financial Activities and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the year by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses.

Actuarial gains and losses are recognised immediately in other recognised gains and losses.

1.14 FUND ACCOUNTING

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the academy at the discretion of the Trustees.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by the Department for Education where the asset acquired or created is held for a specific purpose.

Restricted funds comprise all other restricted funds received with restrictions imposed by the funder and include grants from the Department for Education.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2020

1. ACCOUNTING POLICIES (continued)

1.15 CRITICAL ACCOUNTING ESTIMATES AND AREAS OF JUDGEMENT

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

The Academy Trust makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost/(income) for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 19, will impact the carrying amount of the pension liability. Furthermore, a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2016 has been used by the actuary in valuing the pensions liability at 31 August 2020. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

During the year, no Trustees received any benefits in kind (*2019: £Nil*).

During the year, no Trustees received any reimbursement of expenses (*2019: £Nil*).

11. TRUSTEES' AND OFFICERS' INSURANCE

The Academy Trust has opted into the Department for Education's risk protection arrangement (RPA), an alternative to insurance where UK government funds cover losses that arise. This scheme protects trustees and officers from claims arising from negligent acts, errors or omissions occurring whilst on academy business, and provides cover up to £10,000,000. It is not possible to quantify the Trustees and officers indemnity element from the overall cost of the RPA scheme.

Other DfE/ ESFA grants - Other government grants received for restricted educational purposes not forming part of General Annual Grant.

Other restricted funds - General monies received for restricted educational purposes not forming part of the General Annual Grant, Local authority grants or other DfE/ESFA grants.

The trust is carrying a net deficit of £951,126 on other restricted General Annual Grant funds. This has been partly supported during the year by a donation from Thomas's London Day Schools of £23,883. The trusts three-year financial plan predicts in year surpluses as GAG funding received increases due to increased pupil numbers. It is estimated that the academy will generate a cumulative surplus by 2024/25 assuming predicted yearly surpluses remain at a similar level.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2020

18. PENSION COMMITMENTS

The academy's employees belong to two principal pension schemes: the Teacher's Pension Scheme for England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by London Borough of Hammersmith and Fulham. Both are Multi-Employer Defined Benefit Pension Schemes.

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pensions Regulations (2010) and, from 1 April 2014, by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for full-time teachers in academies and, from 1 January 2007, automatic for teachers in part-time employment following appointment or a change of contract, although they are able to opt out. All teachers have the option to opt-out following enrolment.

The TPS is an unfunded scheme and members contribute on a 'pay as you go' basis – these contributions along with those made by employers are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

The LGPS obligation relates to the employees of the Academy Trust, who were the employees transferred as part of the conversion from the maintained school and new employees who were eligible to, and did, join the Scheme in the period to 31 August 2016. The obligation in respect of employees who transferred on conversion represents their cumulative service at both the predecessor school and the academy trust at the balance sheet date.

The latest actuarial valuation of the TPS related to the period ended 31 March 2012 and of the LGPS 31 March 2016.

Contributions amounting to £20,551 were payable to the schemes at 31 August 2020 (2019: £16,733) and are included within creditors.

Valuation of the Teachers' Pension Scheme

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury every 4 years. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2016. The valuation report was published by the Department for Education on 5 March 2019. The key elements of the valuation and subsequent consultation are:

- employer contribution rates set at 23.68% of pensionable pay (including a 0.08% employer administration levy)
- total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £218,100 million, and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £196,100 million giving a notional past service deficit of £22,000 million
- the SCAPE rate, set by HMT, is used to determine the notional investment return. The current SCAPE rate is 2.4% above the rate of CPI. Assumed real rate or return is 2.4% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 2.2%. The assumed nominal rate of return including earnings growth is 4.45%.

18. PENSION COMMITMENTS (continued)

The next valuation result is due to be implemented from 1 April 2023.

During 2019, the employer contribution rate was 23.68%. The TPS valuation for 2016 determined an employer rate of 23.6%, which was payable from 1 April 2019.

The employer's pension costs paid to TPS in the year amounted to £119,723 (2019: £73,229).

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website.

Under the definitions set out in FRS 102, the TPS is a multi-employer pension scheme. The trust has accounted for its contributions to the scheme as if it were a defined contribution scheme. The trust has set out above the information available on the scheme.

Local Government Pension Scheme

The LGPS is a funded defined benefit scheme, with assets held in separate trustee-administered funds. The total contribution made for the year ended 31 August 2020 was £80,000 (2019: £79,000), of which employer's contributions totalled £64,000 (2019: £63,000), and employees' contributions totalled £16,000 (2019: £16,000). The agreed contribution rates for future years are 12% for employers and 5.5 - 7.5% for employees.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.

Principal actuarial assumptions:

	2020	<i>2019</i>

21. RELATED PARTY TRANSACTIONS

Owing to the nature of the academy's operations and the composition of the board of trustees being drawn from local public and private sector organisations, transactions may take place with organisations in which the trust has an interest. All transactions involving such organisations are conducted at arm's length and in accordance with the academy's financial regulations and normal procurement procedures.

During the year there were transactions with the following related parties:

Thomas's London Day Schools - An unlimited company in which Nicholas Tobyn Leckie Thomas and Benjamin Victor Robert Thomas are directors.

Transactions with related parties:

During the year, expenses paid by Thomas's London Day Schools on behalf of Thomas's Academy and recharged at a later date amounted to £21,815 (2019: £18,247) of which £15,723 was still outstanding at the year end (2019: £43,324).

During the year, Thomas's London Day Schools paid rent to Thomas's Academy amounting to £75,000 (2019: £75,000).

During the year, Thomas's London Day Schools donated services to Thomas's Academy amounting to £20,000 (2019: £20,000). During the year, non-service donations of £23,883 (2019: £105,000) were made. Also, during the year, Thomas's London Day Schools contributed £51,122 (2019: £47,098) in relation to the provision of specialised staff.

The Trustees of the Thomas's Foundation donated £41,000 (2019: £9,000) during the year to fund speech and language development.

Miles Chester (headteacher of Thomas' Academy) performed work at Thomas's London Day Schools which was recharged by the Academy for £36,395.
