

ATTENDANCE POLICY

INTRODUCTION

Attendance and punctuality is vital to the well-being and future prospects of all our children. At Thomas's Academy we recognise that statistically pupils whose attendance falls below 95% achieve significantly less well than their peers. Children are expected to attend for the full 190 days of the academic year, unless there is a good reason for absence.

There are two types of absence:

Authorised - where the Academy approves pupil absence e.g. absence due to sickness of child.

Unauthorised - where the Academy will not approve absence e.g. holidays during term, all day absences for appointments that were only in the morning, persistent absences for illness where no medical proof has been provided.

This policy applies to all pupils across the Thomas's Academy including children of non-statutory school age.

REWARDS AND INITIATIVES

Thomas's Academy takes significant steps to ensure that all pupils are encouraged and that good attendance and punctuality is recognised and celebrated. The Associate Head encourages high attendance and excellent levels of punctuality through class assemblies and encouraging a competitive spirit between classes. Informal praise and formal awards should both be used and supported by all School Staff. Attendance and punctuality awards include an annual trip to Kidzania, tickets to which are awarded to all pupils with 100% attendance each term. Weekly class attendance is celebrated on Seesaw, which is shared with the school community.

ABSENCE PROCEDURES

First Days of Absence

If a child is absent, parents must call the school office by 9am on the first day of the absence stating a reason or email the absent email: absent@academy.thomas-s.co.uk. The Admin Officer will then decide whether to authorise the absence, and the reason for absence will be recorded electronically. It is expected that a degree of detail is recorded, not just "child sick".

If contact explaining the child's absence fails to be made by parents or carers, then the Admin officer will contact the home by telephone on the first day and every day thereafter until contact has been made with the parent/carer.

If the school is unable to make contact within 3 days, the Attendance Officer will inform the Deputy Headteacher and together will take further steps to ascertain the whereabouts of the child including contacting outside agencies where necessary.

If your child constantly has unauthorised absences, whether recorded as unauthorised by the school or because the parent has not informed the school, then we are legally bound to contact the LBHF's Initial Child Assessment Team (ICAT) who deal with concerns regarding children who may be at risk. They require us to contact them if your child has more than 10% unauthorised absences during a six week period.

The Academy's Protocol

- Pupil absence rates are reviewed monthly by the Attendance Team. When attendance rates fall below 95% for the year to date, or if there are regular periods of unexplained absence, the SAO and DHT, will send a 'Below 95% Attendance Alert' to parents (See end of policy), informing them of our concern and asking them to present any additional medical evidence if applicable.
- If attendance falls below 92%, the Headteacher or Deputy Head teacher will invite parents in to discuss the reasons for the absences and consider possible solutions.
- Any child with attendance between 85% and 92% will remain under our focus until a sustained improvement is seen. Pupils who have less than 90% attendance with any period of unauthorised absence within a 6 week period will receive a warning letter.
- If a child's attendance drops to 90% or below, with at least 10% unauthorised absence then they will qualify for a referral to ICAT (Initial Child Assessment Team) at the local authority. Attendance is a statutory requirement of every parent/carer, therefore no parental permission needs to be granted to make this referral.
- Those pupils with attendance below 85% are classed as 'Persistent Absentees' and as such receive particular attention. This may include home visits from the Head Teacher, contact with the Local Authority and a close analysis of the factors affecting attendance.

Absence for Medical Reasons

Parents must make every effort to arrange medical appointments outside school hours. If it is necessary for a child to be out of school for this reason, the child should be returned to school directly after the appointment.

If your child is absent because of illness and the absence is more than 5 days then we will require a doctor's note to confirm this.

For children whose absence is below 90%, we require a doctor's note to be able to authorise the absence, due the level of attendance already being so poor.

Leave of absence during Term Time

A pupil's absence during term time can seriously disrupt their continuity of learning. Not only do they miss the teaching provided on the days they are away, they are also less prepared for the lessons building on that after their return. There is a consequent risk of underachievement, which the school and parents must seek to avoid.

School will not authorise family holidays during term time. Holiday dates are published a year in advance; therefore, the Academy does not see any reason for parents to take their child(ren) out of the Academy during term time.

In exceptional circumstances the Head teacher will consider each case on an individual basis. Leave should **not** be taken without first discussing the circumstances with the Head teacher. Parents wishing to request leave of absence should Request a copy of the Thomas's Academy Attendance Policy and complete a written request via email to head@academy.thomas-s.co.uk or complete the Request for Leave of Absence Form at the back of the policy.

In considering whether or not to authorise leave of absence, the School will consider each case individually, taking into account a child's overall attendance and the reason for the leave. The Head teacher may request a meeting with parents to discuss the proposed leave and may request further documentation such as travel itineraries etc. The school will not authorise a leave of absence where the requested period of absence covers a statutory assessment e.g. KS1 and KS2 SATs. Where leave of absence has been granted, the pupil must return no later than the agreed date of return.

Parents who take their child(ren) out on holiday without the School's permission may be issued with a Penalty Notice (PN). In cases where there is more than one pupil in the family, a PN will be issued for each child and each parent. Penalty Notices (PN) are currently £60 for each child (£120 if not paid within 28 days).

Unexplained Absences, Changing Schools

- For children who have above 10% of unauthorised absences or where we don't know of the child's whereabouts after several failed attempts at trying to contact family in the last 6 weeks, then a referral to the Initial Child Assessment Team (ICAT) on 0208 753 6610
- If the child is not knowingly on roll at any school, then Kyria Parsons, Lead Advisor at ACE 020 8753 6797 must be informed if the child cannot be located and is classed as missing from education.
- All steps will be taken by the school to ascertain the student's whereabouts and documentation should be kept on this process. The **protocols followed are outlined at the end of this policy (Protocol for schools in Hammersmith & Fulham Council to identify children missing education)**
- It is important that if families decide to send the child/children in their care to a different school or choose to home school, they inform Thomas's Academy staff as soon as possible. A pupil will not be removed from this school roll until the following information has been received and investigated:
 - The date the pupil will be leaving this school and starting the next;
 - The name and address of the new school; the new home address, if it is known;
 - This school receiving communication from the new school that the child has now been enrolled there

The Academy will send an electronic copy of the pupil's school record, including attendance reports, to the new school, to be followed by their paper file. If a parent/carer appears to have removed their child from school or the child has completely stopped attending without providing

the above information, the family will be referred to Family Support and then likely upscaled to Social Services.

Every child has a right to an education and in this country, it is illegal for a parent/carer to fail to provide a child, of compulsory school age, with an education. Apart from the vital contribution education can make to the life chances of young people, school attendance is a unique opportunity to monitor all children and to detect early warning signs of possible difficulties or concerns, both educational and social.

- ❖ *A child is of compulsory school age from the beginning of the term immediately following their 5th birthday, when he/she should be legally receiving education.*
- ❖ *A parent/carer can decide to educate their child at home but they should notify the local authority of their intention to enable the local authority to assess the provision and offer support as necessary.*
- ❖ *A child ceases to be of compulsory school age on the last Friday in June of the academic year in which the child has their 16th birthday.*
- ❖ *The academic year runs from 1 September to 31 August.*

Punctuality:

Pupils who are consistently late disrupt not only their own education but also that of others. The School day begins at 8.55 a.m. and all pupils are expected to be settled and ready for registration at 9.00 a.m. Those pupils arriving after 9.00 a.m. but before the close of registration will be marked as late (L) by the Admin Officer and must enter through the school office to be marked in as late.

After 9.30 a.m. pupils will be marked with (U) and recorded as absent for the (am) session. Parents will then be asked to provide a reason for the absence; this will determine whether the absence is recorded as authorised or unauthorised.

In cases of persistent lateness, the parent/carer(s) will be issued a letter to improve punctuality from DHT and will be invited to meet with the Head teacher or DHT to seek a resolution.

Below 95% Attendance Alert

Dear Parent / Carer,

You will be aware that Thomas's Academy takes pupil attendance very seriously. Attendance and punctuality is vital to the well-being and future prospects of all our children. At Thomas's Academy children are expected to attend for the full 190 days of the academic year, unless there is a good reason for absence.

We track the attendance of every child each week, and this analysis has highlighted a concern with your child's attendance.

(Child's Name) has had attendance of **(% attendance)** so far this year.

Please let us know if there are any particular reasons for this low level of attendance, or if there is any additional medical evidence that you would like us to be aware of.

As outlined in our Attendance Policy, we will continue to monitor your child's attendance, and if attendance falls below 92%, the Educational Welfare Officer will invite you to the school to discuss the reasons for the absences and consider possible solutions.

A real focus on ensuring that your child comes to school every day will help turn this issue around very quickly and will have a very positive impact on your child's education.

I appreciate your support in this matter.

Yours Sincerely,

Clare James
Deputy Head teacher

Protocol for schools in Hammersmith & Fulham Council to identify children missing education

This document sets out the new requirements for identifying children missing education (CME) and is for the attention and action of all schools with pupils of statutory school age (5 – 16). This includes Independent schools.

Background

With effect from 1st September 2016, to improve communication and coordination between schools and LAs, all schools are required to notify the maintaining local authority of starters and leavers. This does not include those starting at the school at the first point of entry in reception or Year 7, or those leaving Year 11. The statutory guidance requires all schools, state maintained, academies and independent, to notify the maintaining Local Authority of all children are removed from the school roll under any of the grounds listed in Education (Pupil Registration) (England) 2006 Regulations s8 <https://www.gov.uk/government/publications/children-missing-education>.

Legal Requirements

The following applies to non-standard transition points, also referred to as 'in-year'. All schools will be legally required to:

- Inform the LA when they are about to delete a pupil's name from the admission register under the permitted grounds relevant to children of statutory school age (these are shown on the 'starters and leavers' form attached);
- Record details of the pupil's residence, the name of the person with whom they reside, the date from which they will reside there, and then name of the destination school (where they can reasonably obtain this information);
- Inform the LA of the pupil's destination school (In the case of refusal to disclose the name of the destined school, please contact then admission team key contact who will advise and assist) and home address if the pupil's moving to a new school; and
- Provide information to the LA when registering new pupils within five days, including the pupil's address and previous school (where they can reasonably obtain this information).

System of notification

All schools will be required to notify the LA of all starters and leavers as set out in the legal requirements above. The majority of schools will need to return their notifications to the Admissions team using the LGfL Document Exchange. For Independent schools, returns will need to be made via the s2s website.

Notifications must not be returned by email unless it is password protected.

The Admissions Team has designated officers that will be checking and monitoring the information returned and will be the key contact for any enquires.

Notification officer — Tracy McCormack Tracy.McCormack@lbhf.gov.uk.

If your school does not have the returns template, contact the notification officer.

It is the responsibility for each school to ensure that notifications are sent to the LA's Admissions Team. Reminders will not be sent but the designated officer will contact you if notifications have not been submitted for a period of 4 weeks.

Requirements at standard transition points

Systems are already in place between schools and the LA to identify children that either do not accept a school offered to their child or do not turn up to the school for which they have been accepted and been placed on roll.

The Admissions Team will monitor cases where a school place has not been secured at the standard point of entry (Reception and Year 7).

Family Support are the point of contact for schools where pupils placed on a school roll have not arrived on their given start date.

Independent schools do not currently notify the LA of children that do not arrive on their given start date.

To ensure the safeguarding responsibly is consistent with state maintained schools, it is requested that Independent schools use the 'starters and leavers' form to notify the LA of children that have not arrived as expected. The school must have carried out their own checks before passing to the LA.
