Thomas's Academy is a government-funded school which provides a full education for free.

ADMISSIONS

There is no charge for admission for pupils entering the school in Reception to Year 6.

NURSERY ADMISSIONS

Fees apply to pupils attending the Nursery provision, these are charged weekly at £150.00 per week, for 38 weeks of the year. Nursery fees are reviewed every April in line with Government changes to funding, parents are advised of this as part of the admissions process.

Nursery fees do not include the cost of school meals provided.

Parents will be advised of the costs for the term at the beginning of each term, payment is required in advance for each half term of attendance to ensure debt is reasonable and manageable for both the parents and the school and are paid via the schools online payment system.

SCHOOL MEALS

The school operates a compulsory meal policy that means that all children must have a meal provided by the school, packed lunches from home are not permitted.

There is no charge for school meals for children who are entitled to free school meals or KS1 universal free school meals (Reception to Year 2).

In the Academic year 2024-25, the Mayor of London is funding Free School Meals for all children in Year 3 to Year 6 and therefore no charge is passed onto parents for these meals during this period.

Pupils in Nursery who are not entitled to free school meals will be charged £2.80 per day.

PUBLIC EXAMINATIONS

There is no charge for examinations that are part of the curriculum. The fees relating to music exams following extra-curricular instrumental lessons are payable by parents.

ACTIVITIES THAT TAKE PLACE DURING SCHOOL HOURS

There is no mandatory charge for activities during school hours with the exception of music tuition.

There is no mandatory charge for transport during school hours to school-organised activities.

ACTIVITIES THAT TAKE PLACE OUTSIDE OF SCHOOL HOURS (non-residential)

There is no charge for activities that take place outside of school hours when they are:

- Part of the set curriculum, including sports matches against other schools
- Part of the school's basic curriculum for religious education.

CHARGES MAY BE APPLICABLE FOR THE FOLLOWING:

- Optional extras (as outlined below)
- Music or vocal tuition
- Residential activities
- School Trips and Outings
- Damages to property or breakages

OPTIONAL EXTRAS

The school will charge for optional extras. These are defined as education and/or childcare provided outside of school time that is not part of the National Curriculum or religious education.

The Head Teacher/SBM will decide when it is necessary to charge for optional activities, and the levels of charge will be set annually. The recommendation of the Finance and Resources Committee will be sought where necessary. Any charge made in respect of individual pupils will not exceed the actual cost of providing the optional extra activity, divided equally by the number of pupils participating. In no circumstances will there be an element of subsidy required for any pupils wishing to participate in the activity whose parents are unwilling or unable to pay the full charge.

Participation in any optional extra activity will be on the basis of parental choice and a willingness to pay the charges.

Current Optional Extras in place are as follows:

After-School Clubs

These are charged on a per pupil, per session basis of depending on the length of each term and follow the below costing model:

£4 per pupil, per session for a minimum of 8 children per 1 adult running the club

£5 per pupil, per session for a minimum of 6 children per 1 adult running the club

Shine Bright

RESIDENTIAL ACTIVITIES

Our school will not charge for:

- Education provided on any visit if it is part of the National Curriculum, or part of religious education
- Supply teachers to cover for those teachers who are absent from school

Charges will be made for:

Board and lodging

When any visit has been organised by the school where there may be a cost for board and lodging, parents will be informed of this before the visit takes place. We will charge anything up to the full cost of board and lodging on residential visits, whether it is classified as taking place during school hours or not. The charge will not exceed the actual cost. Parents who can prove they are in receipt of certain benefits may be exempt from paying this cost or be charged a reduced rate at the discretion of the Head Teacher/SBM.

Travel

Travel charges may apply when a residential activity takes place outside of school hours. The amount charged will be calculated to cover the unit cost per pupil. These charges may not apply to those pupils entitled to remissions, but no other pupils will be charged extra to cover those costs.

Activities

The school may charge for activities outside of school hours, and for activities which are not part of the National Curriculum or Religious Education.

School Outings

As part of the planned curriculum, classes will often undertake outings to local areas of interest, museums, galleries, workshops etc. The school makes every effort to keep the cost of these trips to a minimum, however they are a valuable aspect of our curriculum and so some additional costs to the school are inevitably incurred.

Classes usually walk or travel by public transport to these trips for which there is no charge. We occasionally require the private hire of a coach or minibus to attend trips which are less accessible by public transport. The costs of Museum visits, workshops etc. are also kept to a minimum in order to keep the costs of these activities as low as possible.

Parents are asked to make a voluntary contribution to some class outings. These requests should never exceed the sum of £15 in any given term.

As with the Optional Extras outlined above, the Head Teacher will decide when it is necessary to request a voluntary contribution for school outings, and the levels of contribution requested. Any contributions requested will not exceed the actual cost of providing the outing, divided equally by the number of pupils participating. In no circumstances will there be an element of subsidy required for any pupils wishing to participate in the activity whose parents are unwilling or unable to pay the full charge.

If parents are unable or unwilling to pay the suggested voluntary contribution, the school will subsidise class outings for individual pupils so that the whole class can access each trip.

In any case where an activity cannot be afforded without voluntary funding, this will be made clear to the parents by the school. If the activity is cancelled all monies paid will be returned to parents.

DAMAGE TO PROPERTY AND BREAKAGES

Where school property has been wilfully or recklessly damaged by a student or parent the school may charge those responsible for some or all of the cost of repair or replacement.

Where property belonging to a third party has been damaged by a pupil, and the school has been charged, the school may charge some or all of the cost to those responsible.

Whether or not these charges will be made will be decided by the Associate Head and dependent on the situation.

REMISSIONS AND CONCESSIONS

The school will give consideration to the remission or reduction of charges to parents or carers who receive the following support payments:

- Income Support
- income-based Jobseeker's Allowance
- income-related Employment and Support Allowance
- support under Part VI of the Immigration and Asylum Act 1999
- the guaranteed element of Pension Credit
- Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190)

- Working Tax Credit run-on - paid for 4 weeks after you stop qualifying for Working Tax Credit
- Universal Credit - if you apply on or after 1 April 2018 your household income must be less than £7,400 a year (after tax and not including any benefits you get)

Children of families who receive these payments are also entitled to free school meals.

Parents who are eligible for the remission of charges will be dealt with confidentially.

The Head Teacher/SBM will authorise the remission of charges as appropriate. This may include the subsidy of part or all of the payment of some charges for certain activities and pupils.

VOLUNTARY CONTRIBUTIONS

The Academy may ask for voluntary contributions to the school for general funds and/or to fund activities that will enrich our pupils' education.

In any case where an activity cannot be afforded without voluntary funding, this will be made clear to the parents by the school. If the activity is cancelled all monies paid will be returned to parents.

There is no obligation for a parent or carer to make any contribution and the school will in no way pressure parents to make a contribution.

Current voluntary contributions include a £10 per term contribution requested of parents of children in Early Years.

In addition parents are also asked to make voluntary contributions for Dressing Up Days or other charitable events. A Just Giving page is set up as required in advance of major events to allow parents to contribute online.

INABILITY OR UNWILLINGNESS TO PAY

Thomas's Academy is committed to ensuring fair access and treatment of all pupils, and this means ensuring that no child is excluded from an activity because the parents or carers of that child are unwilling or unable to pay. If there is insufficient funding for an activity, then it will be cancelled.

The identity of the child or parents of the child who did not want to make the payment, or could not make the payment, will not be disclosed under any circumstances.

This policy is based on advice from the Department for Education (DfE) on charging for school activities and the Education Act 1996, sections 449 to 462 of which set out the law on charging for school activities in England as well as guidance from the DfE on statutory policies for schools and academy trusts.
