Schools in other London Boroughs

If you wish to apply for a state secondary school in another London borough, you need to apply via your home borough. If you are interested in any of the [Wandsworth Schools](#), please be aware that four of them require your child to take the Wandsworth Test. These schools are Ashcroft Technology Academy, Burntwood School, Chestnut Grove School and Graveney School.

For parents and carers whose children need to sit the Wandsworth Test, you need to register your child by Thursday 3 September 2026. The tests will take place on Thursday 24, Friday 25, Saturday 26 and Monday 28 September 2026. Parents and carers are responsible for registering their child for the test. To register or find out more, please visit the [Wandsworth Council website](#).

Independent Schools

Should you be interested in your child attending an independent (fee-paying) school, a list of independent schools in London is available on the [Independent Schools Council website by borough](#). These schools have their own admissions criteria, application fees, and closing dates for admissions. You need to apply to any independent school individually.

Thank you,

Thomas's Academy
